SUBJECT: Your letter of 19 Apr 85 re Contact Pete Osadchuk.

1. Mr. Pete Osadchuk has been the subject of several contacts in the past. Mailings of Unit bulletins and such were made on 22 Jan 81; 4 Sep 81; 6 ~~Mar~~ ^{Apr} 83; and 14 Feb 84; plus at least two telephone efforts to contact him. After a visit to Vancouver, our Howard Rennick brought back information that he was a subscriber to the field magazines and an X-card was made out on 14 Sep 82. The original contacts of 1981 were initiated by Mr. Osadchuk himself, I believe. However he is an old man, a retired farmer, and appears determined to avoid full membership. It appears we have done all we can. We have been unable to contact his son Michael, whose subscription has probably been paid for by Pete.

SUBJECT: S-Reports

1. CHQ received the Membership Application of Edward Grech accompanied by an International Money Order for \$7.50. Please be advised that only CHQ's share should have been remitted: \$4.20 (42¢ x 10 months). We have enclosed a credit memo.
2. It would be more efficient if the above application would have been included in the January and February S-8, 9, and 10 reports, (which we have not received as yet). When the S-reports are sent in please list Mr. Grech on the S-8 (Group I) for the month of March. Please consult the BL&GR.
3. Mr. Grech's Membership Card is enclosed.

SUBJECT: S-Reports

1. CHO received the first quarter financial and membership reports of 1982 (S-8, 9, & 10). None of the reports were signed by the Organizer, Howard Rennick. Whether it be a Section, Unit or Group, two signatures are required on all reports and checks. This is another one of the regulations that has been in existence since Technocracy began as an incorporated organization.
2. We are enclosing 12 copies of the new S-5. Any copies you have of the old S-5 forms may be destroyed.
3. We look forward to receiving the rest of the reports for the remaining months of 1982 shortly so that we can start the new year up-to-date. Incidentally, 1983 will mark the 50th anniversary of the incorporation of Technocracy, April, 1933.

S-Reports

1. CHO received the S-Reports for "August 1981" and compiled "August 23, 1982." We are more than slightly confused as to what you are trying to present. Are these reports for the entire year from August 1981 to August 1982? Or are you planning to submit reports for each month following on the same basis? If it is the latter we would suggest that you condense them to one set of reports which would include September through December, 1981. Then another set of S-Reports for January through August of 1982. After ^{this} you can maintain your schedule of mailing the S-Reports on a monthly basis, particularly the S-8, S-9 and S-10.
2. If there has been no activity such as Board and/or Membership Meetings and you have nothing to report, your summary sheet would suffice to indicate so. The postal rates are too high to send in blank sheets. Also, when sending in your financial sheets (S-8, 9 & 10) always send them in duplicate as CHO checks, then returns a copy to you.
3. If you do not have O.I.#1 (Membership and Financial Structure), let us know and we will send one immediately.

Subject: Membership Cards

1. We are sending your Membership Cards for those Members who have been listed on your Form S-101.
2. Before distributing these cards, please check them with your copy of Form S-101 and then insert on the back of the cards the proper notation regarding the dues status. (Please note that the reverse side has been left blank.) The Member's signature must be written in ink on the card in the presence of a Section Officer or an Organizer.
3. Cards sent to you in error (or with errors) must be returned along with the pertinent data. Notify CHQ if cards have not been issued to all eligible Members. Kindly acknowledge receipt of these cards along with your next monthly reports.
4. Exceptions to the above, if any, are as follows:

Omissions

Extras

5. Please advise us regarding the present Membership status of those listed in paragraph 4 so that required Membership Cards may be issued. Dismissals (giving reasons) are to be recorded on the S-8 Reports as necessary, in order that our records may be reconciled with yours.

SUBJECT: S-Reports

1. We have received your letter with the accompanying dues for five. According to our records Michael Rennick has not paid his dues as yet. Does this compare with your records?
2. Again, we bring your attention to the importance of making out monthly S-Reports, particularly during the time when Members are paying dues for the year. Please be assured that if you have your financial schedule worked out you will find that making out the S-8, S-9 and S-10 reports will be a great help in controlling and keeping track of your finances. To say nothing of making the job easier here at CHQ.
3. Can you delegate the job to someone else who is perhaps versed in accounting or bookkeeping? It would help you and the Unit to spread the responsibility for the work. We totally agree with you that doing the boring and sometimes meaningless paper work is a "drag." But rest assured if we did not do it we would not be permitted to operate.

1. CHQ is in receipt of your check in the amount of \$20.00 to cover 1982 dues of four members.
2. Instead of sending dues piecemeal, it is suggested that you hold the dues received in any given month, then at the end of the month, fill out your S-8, S-9 and S-10 reports and mail to CHQ along with a check for the dues paid. (This of course in duplicate, one copy is returned to you for your records.)
3. It is also suggested that after all dues are paid for the year, you would only need to send your reports in quarterly. Enclosed herewith is a small supply of the above monthly report forms plus Operating Instructions #1, "Membership and Financial Structure." There are instructions on every form but if you have any questions CHQ will be glad to help you.
4. Last December we sent S-101 and S-102 Forms for your Membership List. These are to be filled out, in duplicate, but you will retain one copy and the original to be sent to CHQ. We cannot send 11353-A Membership Cards until we have the list so we can check each name with our records. (It must be in strict alphabetical order and address changes noted.)

Please let us hear from you.

1. CHQ received your S-Reports for April and May today. Looks like you have caught up to yourself at last.
2. We noted on the minutes of the Membership Meeting held April 6 that you had shown Arvid Petersen's video cassettes. For the record and for information only, please be advised that the cassettes were never approved by CHQ. Also, Arvid and Pauline have both resigned from the Organization and are no longer members. Just thought we would let you know.

2. We have received the \$45.00 for the nine Members listed in your letter. We will hold their cards (and the cards of the other Members of your Unit) until we receive the above forms. When you receive the Unit Membership Cards your treasurer will mark them paid on the reverse side, (or in the case of monthly payments, the amount paid to date).
